Thank you for your interest and support!

Schoharie County Council of Senior Citizens, Inc.
115 Plaza Lane, Store #8
Cobleskill, NY 12043

The Senior Council also provides the following services to seniors in Schoharie County:

- ❖ **Lifeline – offering an emergency response service to eligible seniors**
- ❖ **Operates the Everything Shoppes in Cobleskill and Middleburgh**
- ❖ **Highway Hero Program – the Senior Council will reimburse any senior citizen who voluntarily surrenders their driver’s license for a photo id card**
- ❖ **Discretionary Emergency Funds – available to the Office of the Aging to aid seniors who do not qualify for other funding sources**
- ❖ **Support and resources for all senior citizens in Schoharie County**

For more information, please contact Kim Witkowski at the Senior Council office 518-254-7040, www.schoharieseniors.org. or office@seniorcouncilofschoco.org

Schoharie County Council of Senior Citizens, Inc.

Our mission is to provide cultural, social and recreational activities, and help meet the physical needs of the senior citizens in Schoharie County.

Who We Are

The Schoharie County Council of Senior Citizens, Inc. was established in 1972. Their purpose is to:

- Cultivate the interests and fulfill the needs of the aging population in the community by providing cultural, social and recreational activities for such persons;
- To study problems and improve conditions involving the aging population in the community; and
- To acquire, receive, own and dispose of real and personal property as permitted by law and to apply for and receive grants and assistance from Local, State and Federal Governments, or Departments and Agencies thereof, in carrying out and financing its activities.

In Schoharie County, the Senior Council employs drivers and office staff to assist the Office for the Aging (OFA) in providing three (3) meal sites serving noon meals and hosts countless additional programs, available to our 60 plus expanding senior population.

Beyond the state and federal programs administered through the OFA, eleven senior citizens clubs dot the perimeter of our county border, offering social contact to those of senior age who welcome and benefit from the sharing and caring of their neighbors and community.

The Schoharie County Council of Senior Citizens, Inc., partners with OFA and Public Transportation in promoting a wide range of objectives geared to improving lifestyle and adding years to our senior member's lives.

The Senior Council's objectives include:

- Encouraging use of senior skills developed over a lifetime for personal benefit and to benefit others;
- Reinventing retirement to include volunteerism, full or part-time employment, and maintaining active, vibrant living each day;
- Improving senior living standards through their twilight years;
- Dispelling loneliness where it exists among senior population;
- Providing support and resources for our seniors in Schoharie County.

For these reasons and more, citizens approaching, or already into retirement years, need the sense of community that derives from association with their senior peers and with their local senior citizen clubs. Become a senior citizen club member and participate in these vital programs today!
